

## Telos Expands Latin American Presence

---

15 July 2009, Cleveland Ohio, USA

Telos Systems is pleased to announce the appointment of 305 Broadcast as their newest Dealer in the Latin American Market. With an extensive line-card, 305 Broadcast offers Latin American broadcasters a single point of contact for their broadcastings solutions.

Kirk Harnack, Director of International Business Development says, "Alfonso Lopez is well-known among Latin American broadcasters. His passion for personal service and value pricing are appreciated by radio engineers and owners from the Caribbean to Venezuela. Telos, Omnia, and Axia are excited to be further represented throughout Latin America by Alfonso and 305 Broadcast."

305 Broadcast is an Elenos company. ELENOS Group, founded in 1977, is an acknowledged leader in the world market for FM transmitters.
